**REQUEST UNDER 37 C.F.R. § 1.48(a) TO ADMIT AN AMENDMENT
IN THE ABOVE-IDENTIFIED APPLICATION TO CORRECT INVENTORSHIP**

Dear Sir:

This Request is to admit the Amendment filed simultaneously herewith to correct inventorship under 37 C.F.R. Sec. 1.48(a) in the above-identified application, by adding the name and address of ANNETTE JOUBERT, a person originally, incorrectly and inadvertently omitted, without any intent to deceive, as a co-inventor in this application as originally filed, as follows: ANNETTE JOUBERT, a citizen of the United States residing at 11 Oak Glen Place, Whippany, NJ 07981.

In compliance with the requirements for the said Amendment under 35 C.F.R. 1.48(a) and this Request, attached are the following:

- (1) Declaration of ANNETTE JOUBERT, who, without intent to deceive, was incorrectly not named as a co-inventor of the subject matter as claimed in

the above-identified application, as originally filed; and

- (2) Declaration of FRANCINE GLICK, a principal of Water Journey Ltd., assignee of the subject patent application, consenting to the addition of ANNETTE JOUBERT as a co-inventor.

The facts relating to the inadvertent omission of Annette Joubert as a named inventor in the subject application are set forth in the accompanying Declaration of Ms. Joubert. In the Declaration, it is clear that the omission was inadvertent and arose because of lack of knowledge regarding the necessity and requirements for naming the proper inventor and without any intent to deceive.

Accordingly, the Amendment to correct the inventorship in accordance with these facts has been filed simultaneously herewith.

Correction of inventorship in a pending patent application, other than a reissue application, is permitted under 37 C.F.R. § 1.48. A suitable Amendment has been filed simultaneously herewith, together with this Petition and the supporting Declaration, a Declaration by the omitted inventor in accordance with Sec. 1.63 and a consent from Water Journey Ltd., assignee of the patent application, all as required under 37 C.F.R. § 1.48(a).

The Commissioner is authorized to charge Deposit Account No. 12-1095 in an amount to cover the fee for this Petition and for such other charges as are due and owing.

The Amendment to correct inventorship has met the requirements of Sec. 1.48(a). All the documents in support of the Petition set forth the facts which required the filing of the present Amendment. Accordingly, the Commissioner of Patents and Trademarks is respectfully requested to grant this Petition

Serial No. 09/699,774

Docket No.: FGLICK 3.0-001

and to admit the Amendment to correct inventorship in the above-identified application.

DECLARATION OF ANNETTE JOUBERT
IN SUPPORT OF THE REQUEST TO
ADMIT AMENDMENT TO CORRECT INVENTORSHIP

Dear Sir:

ANNETTE JOUBERT declares:

1. I am one of the actual and true inventors of the subject matter disclosed, shown and claimed in the above-identified patent application. The other co-inventors are FRANCINE GLICK and EUGENE PUCHALSKI, JR.

2. During the period prior to the time that the provisional patent application from which the above-identified application claims priority was filed, namely November 8, 1999, I was involved in the development of the subject matter that is claimed in the subject application with the other named inventors.

3. Prior to the filing of the provisional patent application, I had discussions with FRANCINE GLICK, one of the other named co-inventors, in which I informed her that I did not want to be involved in the preparation of the patent application, its prosecution or to be responsible for the costs associated therewith. From that time, responsibility for the preparation and filing of the provisional patent application, the non-provisional application and its prosecution was handled by others, including FRANCINE GLICK.

4. I had incorrectly believed that my name could be omitted as an inventor in view of my expressed intention not to be involved in the preparation, filing and prosecution of the application.

5. I was recently informed by FRANCINE GLICK that, based on her discussions with the patent attorney presently handling prosecution of the patent application and in view of my participation in the development of the subject matter claimed in the patent application, I am considered to be an inventor.

6. I did not have any knowledge regarding the designation of inventors when the provisional and non-provisional patent applications were filed and that the delay in naming me as an inventor was not intended to deceive or mislead and occurred only by reason of inadvertence and mistake on the part of FRANCINE GLICK and myself by reason of our limited

knowledge of the requirements regarding execution of the Application for U.S. Letters Patent by the actual and true inventors.

7. I have assigned and transferred the subject matter disclosed, shown and claimed in the above-identified patent application as well as the provisional patent application from which it claims priority to Water Journey Ltd.

8. I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further, that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.

Dear Sir:

WATER JOURNEY LTD., a New Jersey corporation having a place of business at 75 Shrewsbury Drive, Livingston, New Jersey 07039, consents to the entry of the Amendment to Correct Inventorship and declares as follows:

1. In the above-identified application, the named inventors, FRANCINE GLICK and EUGENE PUCHALSKI, JR., assigned and transferred to WATER JOURNEY LTD. their entire right, title and interest in, to and under the invention and the subject matter as shown, described and claimed in this application.

2. It was discovered, after this application was filed, that another person may have been an inventor but was incorrectly and inadvertently not named and that this arose without any deceptive intent.

3. The Attorneys of Record investigated this and determined that the unnamed person, ANNETTE JOUBERT, should have been named

Serial No. 09/699,774

as an inventor. Accordingly, concurrently herewith, the Attorneys have filed an Amendment to Correct Inventorship under 37 C.F.R. Sec. 1.48(a), by adding ANNETTE JOUBERT, together with the required Petition to admit this Amendment and the supporting Declarations therefor.

4. Each of the named inventors also has assigned and transferred his respective entire right, title and interest in, to and under the invention and the subject matter as shown, described and claimed in the subject application to WATER JOURNEY LTD.

5. Accordingly, by virtue of these assignments, WATER JOURNEY LTD. hereby consents to and approves entry of the Amendment to Correct Inventorship in the above-identified application so as to add the named inventor, ANNETTE JOUBERT, to the other actual and true inventors, FRANCINE GLICK and EUGENE PUCHALSKI, JR.

6. The undersigned hereby declares that all statements made herein of her own knowledge are true and that all statements made on information and belief are believed to be true; and further, that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the subject application or any patent issued thereon.
